BESCHREIBUNG

By default, the OurPlant XTec and XTec Laser are delivered with a gantry for taking up processing heads up to a total width of 150 mm.

The Interface Extension is an exchange adapter plate that enlarged the console plate depending on variant to 4, 5 or 6 standard slots (per 49 mm). With this exchange plate, processing heads with a maximum total width of 200 mm, 250 mm or 300 mm can be used.

Only for OurPlant XTec or OurPlant XTec Laser.
