

TAPE FEEDER SYSTEM

SKU: s3-0088.09

17.500,00 € excl. VAT

Categories: [Feeding equipment](#), [Modules](#)

BESCHREIBUNG

The feeder system allows a fully automatic feeding of components from tape rolls. With the system different Hover Davis Tape Feeders can be adapted mechanically and electrically. With the Tape Feeder, taperolls can be unrolled and the components can be picked up by the placement head.

The scope of delivery includes the Hover Davis Tape Feeder.
